

HOMI BHABHA CENTRE FOR SCIENCE EDUCATION

December 16, 2025

Minutes of the Pre-bid meeting held for the Solar installation at HBCSE

A pre-bid meeting for the Design, supply, installation, testing and commissioning of 177 kWp On-grid rooftop solar power plant at the main building terrace, Homi Bhabha Centre for Science Education – TIFR was held on 15th December, 2025 at 11:00 am. In room no. G1, Main building, Homi Bhabha Centre for Science Education, Mankhurd, Mumbai-400088.

The representatives from the following firms attended the pre- bid meeting.

1. M/s. Selec Controls Pvt Ltd.
2. M/s. Sanjay Marketing
3. M/s. D.S. Enterprises
4. M/s. Go Mumbai Solar LLP
5. M/s. VEMC

Mr. Srikanth Banda, Indenter, HBCSE representative conducted a site visit and showed the site and substation to the vendors. Detailed explanations were provided regarding existing site conditions, proposed cable routing, earthing pit locations, ACDB panel placement, and inverter mounting locations.

The representatives were informed about the requirements of the tender and the detailed information about the requirement was provided i.e. Scope of work, Job description, Bill of quantities, quality of work and financial bid explanation etc. in the pre-bid meeting.

M/s. Selec Controls Pvt Ltd representative raised a query regarding “AMC charges as mentioned on Page No. 32, Point Nos. 14.3, 14.4 and 14.5”. It was clarified that the entire 5-year AMC and Operation & Maintenance cost has already been included in the quoted price. Only this part will be considered, and no additional payment shall be made towards AMC. Accordingly, Clauses 14.3, 14.4, and 14.5 will be deleted from the tender document. A corrigendum will be issued in this regard.

There were no other queries and the meeting concluded at 12:00 pm.
